GLASTONBURY  
ABBEY

*Join us for the public display of the Shroud of Turin, the reputed burial cloth of Jesus Christ which bears His image. You will learn all about the Shroud from renowned Shroud expert Barrie Schwartz. Then, you will have the opportunity to see and venerate the Holy Shroud, which has not been on display to the public for 10 years. (It will be on display for only 44 days.) After visiting the Shroud of Turin we make our way to Glastonbury, England in trying to unravel the mystery of the fate of the Shroud's original owner, Joseph of Arimathea, who vanishes from the gospels after Jesus' entombment. We will hear from Ed Prior, a former NASA scientist who is writing a book about Joseph and his critical role in early Christianity. Did Joseph flee the wrath of Caiaphas after Jesus vanished from the tomb---and take his family to Glastonbury? Did Joseph found the first Christian church outside of Judea? Did he bring the Holy Grail to England, the cup Jesus is said to have used at the Last Supper? Prior will discuss legends and facts surrounding Joseph of Arimathea at Glastonbury.*
